

Help global organisations make what matters happen
- thoughtfully, practically, together.

CANDIDUS CONSULTING

SERVICES - How I can help

Strategy & Growth

Help your leadership teams design and shape actionable growth plans grounded in business reality - creating clarity of direction amid competing priorities.

Transformation & Organisational Performance

Work with your team turning complex initiatives into clear, manageable steps and fit for purpose governance - so that you can focus on where you can move the dial.

Leadership, Engagement & Culture

Help leadership team bring out their human side to inspire and mobilise, embedding new cultures through role modelling.

“ Real change is delivered by your team. ”

M&A & Value Creation

In addition to due diligence and growth strategy, we also help investors and management to establish shared ambitions and trust to drive value creation, within ambitious timeframes.

Purpose-Driven & Social Impact

Support charities and mission-led organisations in decision-making, strategy design, and operational improvements, enabling them to make their impact more sustainably.

Strategic Sprints

Focused engagements for leadership teams

When clarity, alignment, and momentum matter, strategic sprints with your leadership team bring structure to conversations, sharpen focus, and turn intent into action.

When organisations call Candidus Consulting

Here are some examples;

- To mobilise organisations to deliver strategy in complex high-stakes environments
- When ambiguity is affecting performance, and when priorities need to be clarified
- To define leadership roles, accountabilities, and decision-making in evolving contexts
- To shape the first 90–100 days of transformation or turnaround
- To support post-merger or post-acquisition integration where alignment is required urgently

100-Day Transformation Planning

One to one sessions and 1-3 day workshops to clarify ambition, define initial initiatives, owners and governance for execution.

Post-Merger Integration Planning

Rapid design of the integration roadmap, synergy priorities, and leadership alignment.

Typical Formats

Strategy Alignment Sprint

1-3 day workshops with the leadership team on chosen topics

Leadership Operating Model Design

Half-day to 1-day sessions to clarify decision making roles, governance rhythms and collaboration mechanisms.

Way of Working

Working to a tight timetable does not mean compromising the quality of decisions. It just makes collaboration and communication more critical. Our approach is:

- Highly collaborative
- Focused on practical outcomes
- Tailored to each situation
- Designed to create clarity and momentum quickly - ready to cascade

Candidus is a Latin word meaning “shining white,” “bright,” or “pure,” and serves as the root of the English word “candid.”
